**ARM YOUR MUSCLE**

**BEAT THE PAIN**

# MUSCLE AIDTAPE™

*Longer lasting, skin-friendly support.*

**Strengthen Performance.  
Relieve Muscle Pain.  
Facilitate Rapid Recovery.**

MuscleAidTape™ is a kinesiology tape that delivers non-medicated muscle and joint pain relief by providing support while increasing blood circulation to promote rapid healing.

## Use MuscleAidTape™ for:

- Relieving muscle pain, soreness and cramping
- Providing support for joints and muscles
- Reducing swelling, inflammation and bruising
- Increasing blood circulation/flow

*The wave-patterned adhesive design of MuscleAidTape™ allows it to have the same flexibility as human muscles, so it offers a gentle yet effective way to re-educate the neuromuscular system, improve blood circulation, and relieve pain by providing comfort and stability to your body.*

*Available in 10 brilliant solid colors, USA Stars & Stripes pattern, and a wide variety of NBA & NCAA logo tapes. Also available in beige or black Bulk Rolls.*

### **Stronger & long-lasting:**

- Remarkably versatile applications—from rehab therapy to the most vigorous workouts
- Water resistant

### **Exclusive treatment process:**

- Allows less adhesive to be used, making it gentle to the skin while maximizing adhesive power
- Excellent air permeability—lets skin breathe and sweat evaporate
- No storage worries—tape remains viable in hot or humid conditions

### **Thinnest & lightest:**

- Latex-free, lightweight cotton/poly blend
- Zero distractions and comfortable feel

### **Most elastic:**

- 100% stretch for enhanced range of motion—30% longer one-way stretch than other brands
- 4-7 day wearing time (2-3 days is recommended)

**Private Branding Available!**

- **Advertise your business!**
- Choose any light, solid-colored tape with black imprint.
- Imprint repeated every 6 inches.
- Small minimum order – 200 Bulk Rolls.

➤ **Personalize to get your business name out there!**

➤ **Patients wearing your logo are a great source for referrals.**

THE CLINICAL STANDARD IN THERAPEUTIC TAPING

*SpiderTech uses Nitto Denko material, the "Original" kinesiology tape.*

*Nitto Denko is the original Kinesiology Tape manufacturer and has been sold worldwide since 1987. In December 2007, SpiderTech became the exclusive North American supplier for Nitto Denko.*

*Engineered to mimic the thickness, weight and elasticity of human skin, material and adhesive development has continued, and with more than 25 years of advancements SpiderTech is the Clinical Standard in Kinesiology Tape.*

### **Compared to competitive Kinesiology Tape products:**

- Made in Japan for consistent performance and sensitivity for virtually all users
- Machine cut edges ensure tape applies flat, does not fray and stays in place
- Wears "lighter" than other tapes; extremely breathable, 100% cotton fabric
- Advanced acrylic adhesive deliver maximum skin compatibility with no residue
- SpiderTech Pro is a medical professional product that is not available at Retail
