

Rainbow FlexGel™

HAND EXERCISER

Improve hand strength and finger dexterity.

- Ideal for improving grip strength and dexterity of the hands and fingers.
- Helps reduce edema and improve range-of-motion of the fingers.
- For heat therapy use, microwave in 10 second intervals until warm to the touch.
- For cold therapy use, chill in the freezer prior to treatment.
- Five color-coded resistant level options.
- Not made with natural rubber latex.
