

E-STe STEPPER

- Revolutionary embedded 15" HD touch screen aligns each user's workout with their entry goals and intuitive programs.
- Integrated iPod® connectivity with music, video and USB charging station allows users to display personal content while charging media devices.
- Multiple motivational and muscle-specific workout programs allow users to energize their workout, whether it's climbing the Empire State Building, with Famous Steps™ or toning with the Glute Sculptor program.
- Supportive handrails including an Aero Bar that runs over the display allow comfortable hand placement at every angle.
- StarTrac's popular adjustable personal fans create a more rewarding workout.
