TEACH MODE

7 ENTER TEACH MODE

Teach
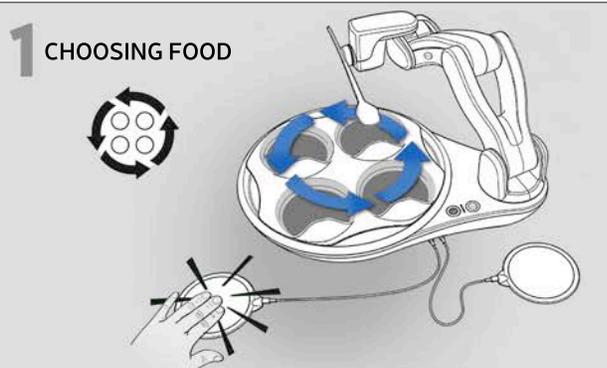

Press the Teach Button.

8 MOVE ARM

Teach

Teach

If the Teach Button flashes:
The Arm is in an invalid location and needs to be moved.

Grasp as shown with a finger covering the Teach Icon. Move the Arm to a position in front of the user's mouth.
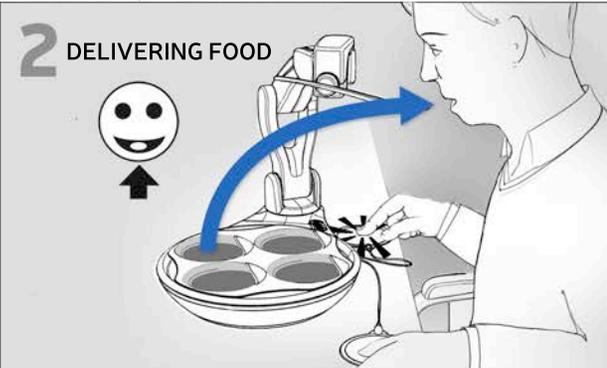

9 EXIT TEACH MODE

Teach

Press the Teach Button again to store the position.

EATING

1 CHOOSING FOOD

The Choose Switch will move the Arm one bowl each time it is activated.

2 DELIVERING FOOD

The Deliver Switch will capture and transport food to the user's mouth.

3 RETURNING ARM

Once the user removes the food from the Spoon, touch the Deliver Switch to return the Spoon to the same bowl.
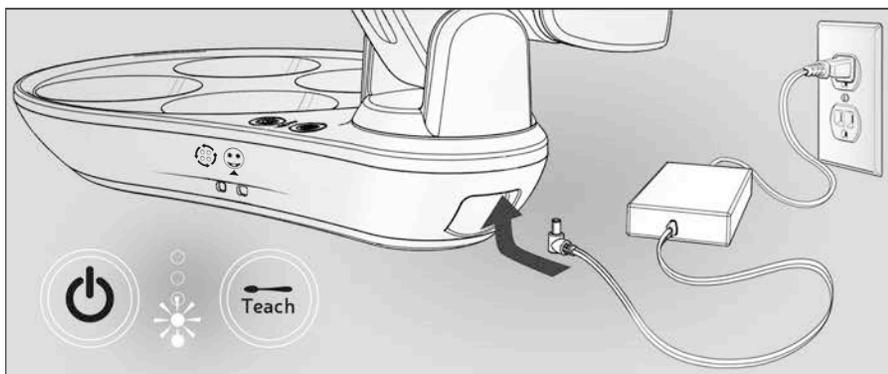

CLEANING

DISHWASHER SAFE

The Plate, Placemat, and Spoon can be cleaned in a sink or dishwasher (top rack). Only wipe down Obi's Base and Arm with a disinfecting wipe or damp cloth.
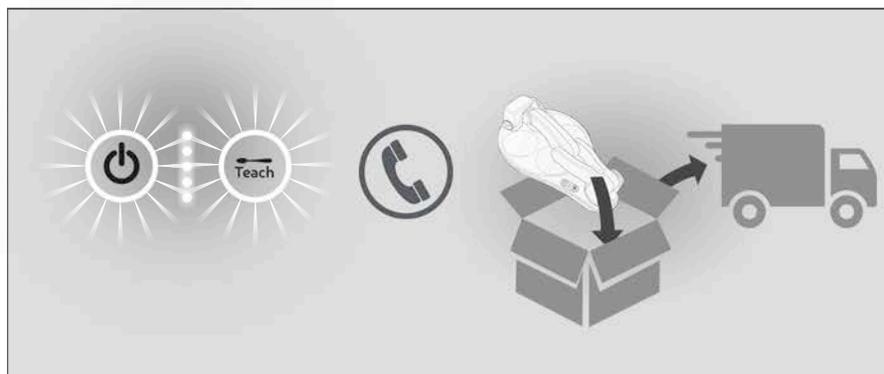

COLLISION

1st

2nd

If the Power Button flashes, please remove the obstructing object. Once removed, touch either switch and the Arm will resume its motion.

CHARGING

Teach

Connect the Charging Cable to Obi's Charge Port and an electrical outlet. All Battery Indicator Lights will illuminate when the device is fully charged.

SERVICE REQUIRED

Teach

If all indicators are flashing, please power off for ten minutes. Afterwards, turn on Obi and if the problem persists, please call 1-844-HelpObi. If the issue cannot be resolved by phone, Obi authorized personnel will coordinate servicing.

Caution: Do not submerge or put in dishwasher, risk of electric shock.   For household use.   Please wash Plate and Spoon before first use.   Warning: Any servicing should be performed by an authorized representative.
