## S-RBx

Our recumbent bikes boast a modern iconic design creating the industry's most comfortable backrest, to invite members to try it and keep them on it! If you want the best looking and best feeling bike that sets your cardio floor apart from the rest, then Star Trac's recumbent bike is the clear choice. The S-RBx recumbent bikes are prewired for the S Series PVS entertainment system, and utilize dual-platform pedals with ratcheting straps for secure hold or strap-free platform workouts. Intuitive wrap-around seat adjustment offer easy seat-position changes. Armrests alleviate tension in the user's shoulders, and adjustable personal fans ensure comfort.
