Section 3 Hazards Identification
NFPA Rating: Health: 1  Fire: 0  Reactivity: 0
Formulated and manufactured for skin contact.
Do not ingest.
Avoid eye contact.
Inhalation: N/A
Hydrogel is not considered a carcinogen under OHSA, ACGIH, NTP, or IARC guidelines.

Section 4 First Aid Measures
If a skin rash develops, discontinue use. Provide treatment to the affected area as needed.
If ingestion occurs, see a physician.
If eye contact occurs, flush with water for five minutes. Provide additional treatment as needed.

Section 5 Fire Fighting Measures
Extinguishing media: Water spray, carbon dioxide, dry chemical or appropriate foam.
Special fire fighting procedures: Wear self-contained breathing apparatus.
Unusual fire and explosion hazards: None.

Section 6 Accidental Release Measures
None.

Section 7 Handling and Storage
Keep tightly closed to prevent evaporation of water.
Store in cool dry place.

Section 8 Exposure Controls and Personal Protection
None.

Section 9 Physical and Chemical Properties
Appears as clear viscous gel cast unto a thin polyester plastic film.

Section 10 Stability and Reactivity
Gel is incompatible with strong oxidizing agents.
Hazardous combustion products include carbon monoxide, carbon dioxide and oxides of nitrogen.
Hazardous polymerization will not occur.

Section 11 Toxicological Information
PALS Blue has passed the ISO 10993-1 requirements for skin contact. It demonstrated no cytotoxicity, no irritation and no sensitization upon skin contact.

Section 12 Disposal Considerations
The preferred means of disposal is destructive incineration or disposal as solid waste. Observe all federal, state and local environmental regulations for disposal.

Section 13 Transportation Information
Not DOT, ICAO or IMO regulated.

Section 14 Regulatory Information
Not considered hazardous under OSHA or EPA regulations.

Section 15 Other Information
The above information is believed to be correct, but does not purport to be all-inclusive and shall be used only as a guide. Axelgaard Manufacturing Company Ltd. shall not be held liable for any damage resulting from the handling or from contact with the above product.
License granted to make unlimited paper copies of this MSDS for internal use only.
